

						North Fork Pit WMSA Stony Canyon Creek Page 1 of 1 Updated 2-14-05,mef		
		STONY CANYON CREEK 1/ (Paragraph 39, Decree No. 4074)						
DWR Tract	Present Owner	Decreed Owner	Diversion Number	Special Class - cfs				
98	Prock, W.	Royce, J.M.	77 - 81			0.80		
99	Gibbons, Byron	Reid, D.G.	82, 83			2.40		
100	Bur. of Indian Affairs	U.S. in Trust				1.20		
			TOTAL			4.40		
Notes:	1/ 4.40 cfs can be diverted from Mile Creek (tributary to Thoms Creek) from Diversion 60 to Stony Canyon Creek between April 15 and September 30 and is to be reddiverted as shown above. When the available total flow for rediversion is equal to or less than 2.40 cfs, Tract 99 is to receive all water except stock and garden water for Tract 98 for an eight day period, then all water is to be diverted by Tract 98. (see paragraph 39, Decree No. 4074 for additional information and restrictions and the Thoms Creek field schedule).
